LETTER OF INVITATION

Thank you for your interest in exhibiting at our fall event!

The **Ontario Association of General Surgeons (OAGS)** would like to take this opportunity to invite you to exhibit at our one-day event **2026 OAGS Surgical Symposium** this fall, which is scheduled for **November 7, 2026 at the Hilton Toronto Hotel, 145 Richmond St. W., Toronto.**

The OAGS is a non-profit organization representing a large number of General Surgeons in Ontario (academic, urban, community and remote centres). As we come together this fall in downtown Toronto, we are expecting an attendance **of up to 180 General Surgeons (practising from Windsor to Ottawa to Sioux Lookout).** The majority of attendees consists of **actively practising general surgeons**, but we also welcome semi-active, new grads, fellows, residents and possibly some PAs. The success of our meetings in the past was greatly due in part to our sponsors. We hope you will consider joining our roster of exhibitors and support this popular event, which is known for its practical continued medical education for General Surgeons throughout the province.

Our soon-to-be CPD-accredited meeting program is still in progress, but topics will cover a wide range. Updates can be accessed via our website (<https://oags.org>) and event website on an on-going basis: www.oagsannualmeeting.org. There will be ample break intervals and opportunities for exhibitors to meet with our members. **Our exhibitor hall and meal area will be together in the same space, adjacent to the plenary meeting on the same floor - giving exhibitors the chance to sit and speak with our members in a relaxed environment.** We'll be incorporating an **event app** with lead retrieval, gamification, platform communication and prize draws, all of which will assist with traffic incentivization during breaks.

Our **Prospectus package** has been circulated to our industry contact email list, but it can also be accessed via our website. If you have any questions, please contact Lori Quilty at our office: info@oags.org or **705-745-5621**. Thank you for considering our event, and we look forward to hearing from you soon!

Sincerely,

Dr. Ravinder Singh, OAGS President and Sponsorship Committee Chair

Dr. Scott Rieder, OAGS Program & Education Committee Chair
